

Anderson Island Prepares Radio All Zone Net Script (Rev 1)

Welcome to the All Zone Anderson Island Prepares Net! This is (Name, WRMK208), your Net Control Operator for this afternoon. The purpose of this net is to verify member radio operation and maintain emergency radio communication capabilities on Anderson Island. You don't need to be a member of the Anderson Island Prepares Radio Network to participate in this net, but we do ask that you allow members to check in first.

This is a directed net, all stations please stand by. *(Slight Pause)*

Are there any stations with Emergency Traffic? If so, please come now.

(Listen for Emergency or Priority Traffic, if nothing is heard, say "Nothing Heard" and continue)

I will now invite net check-ins from each Zone in turn, starting with the Zone Lead and then Neighborhood Coordinators for that Zone. When checking in provide your GMRS Call Sign and Tactical Call Sign only. When you are acknowledged by net control please provide the following information:

Your first name and if you have traffic. If you have no traffic for the net say "No Traffic". I will confirm each check-in by restating your Tactical Call Sign or the last three numbers of your GMRS call sign.

Now Calling:

Zone 1 Lead	Zone 4.2 Lead
Zone 1 Neighbor Coordinators	Zone 4.2 Neighbor Coordinators
Zone 2 Lead	Zone 5 Lead
Zone 2 Neighbor Coordinators	Zone 5 Neighbor Coordinators
Zone 3 Lead	Zone 6 Lead
Zone 3 Neighbor Coordinators	Zone 6 Neighbor Coordinators
Zone 4.1 Lead	Zone 7 Lead
Zone 4.1 Neighbor Coordinators	Zone 7 Neighbor Coordinators

(When you are done with your list, ask...)

Are there any late or missed members wishing to check in? If so, please come now.

(Pause for late or missing member check-ins; if nothing is heard, say "Nothing Heard" and continue)

Are there any visitors wishing to check in? If so, please come now with your name, call sign, tactical call sign (if available) and general location.

(Pause for visitor check-ins; if nothing is heard, say "Nothing Heard" and continue)
(At this point, go through list of stations with traffic, in order of precedence)
(Once all stations have been given a chance to state their traffic, continue.)

Are there any general announcements for the Net, please come now

(When you are ready to close the the Net, ask...)

Last call, last call. Are there any additional members or visitors wishing to check in?

***(Pause for additional member or visitor check-ins or rechecks;
if nothing is heard, say "Nothing Heard" and continue)***

Thank you for your participation in the Anderson Island Prepares ALL Zone Net.
