DROP, COVER, HOLD ON!

AIEOC Broadcast Message (10:30 am)

Situational Report Emergency Net (10:35 am):

Simulated Broadcast Message from the AIEOC:

Exercise, Exercise, Exercise. This is a DRILL. This is Anderson Island EOC Net Control.

Be Advised, A magnitude 7.1 earthquake occurred at 10 hours:15 minutes local time today. Widespread power, cellular, and telephone services are down island-wide.

Initial island coordination logistics are as follows:

- **A Primary Medical Hub:** Will be activated at the **Anderson Island Archival Building at 11 hours 00, minutes local time.**
- **An Emergency Shelter:** An Emergency Shelter will be activated at the **American Legion Community Center at 14:00 hours local time.**
- **Nightly Curfew:** Effective tonight at 21 hours 00 minutes a **curfew will be initiated** due to extreme road hazards and downed power lines.

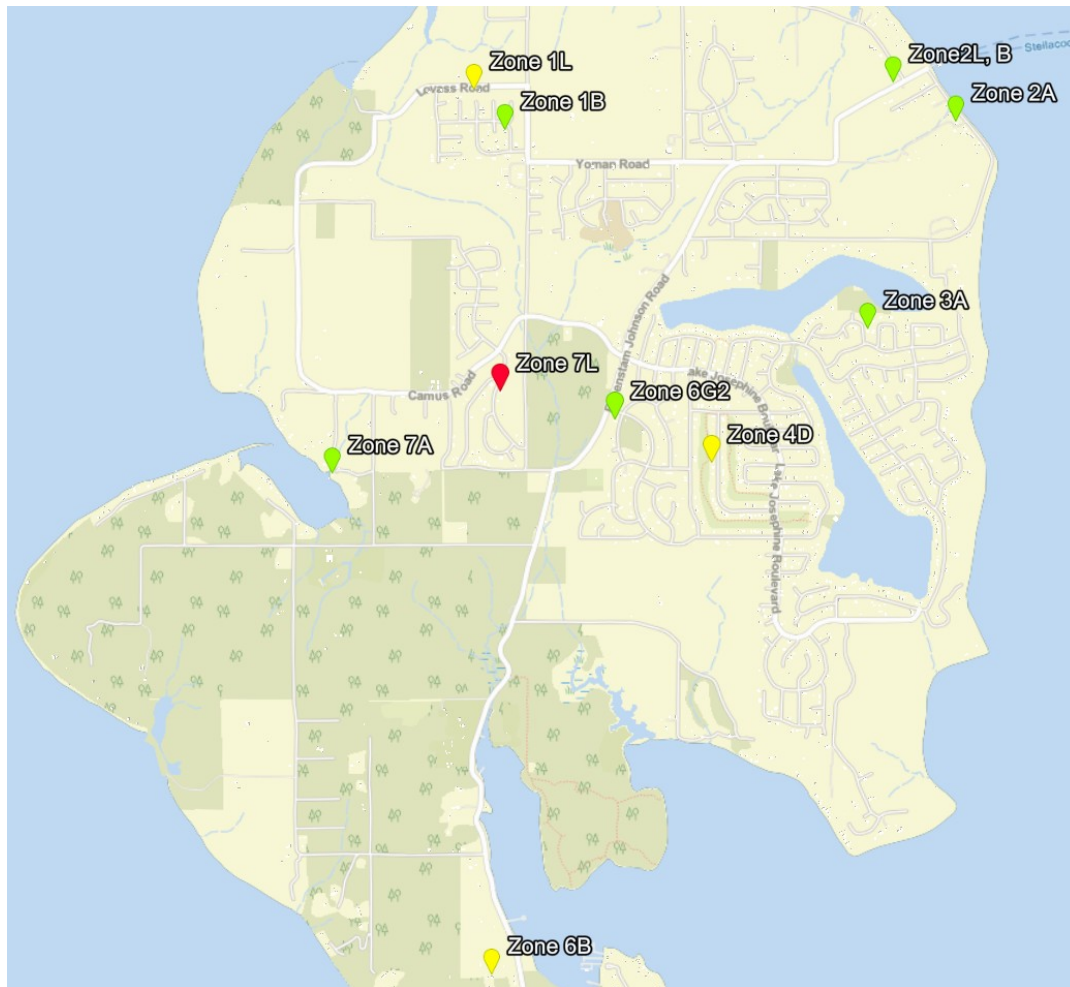

All residents are instructed to shelter in place, check on immediate neighbors if safe to do so.

End of Broadcast message. Stand by for the emergency net on this channel. **This is an Exercise.**

Situational Report Emergency Net:

Simulated Situational Reports were communicated by each participant on GMRS channel AIEOC to Net Control by Zone using the following reporting format color codes:

- **RED:** Structural collapse, active fire, or life-threatening injuries.
- **YELLOW:** Moderate damage, blocked roads, or non-life-threatening injuries.
- **GREEN:** Safe structures, minor cosmetic damage, no injuries.

Priority	Situation	Location	Injuries	Action
Red	Loss of Power, Oxygen dependent patient	Zone 7, Edgewood and Camus	1	Dispatch EMT
Yellow	Downed Tree, Power line, Blocked Road	Zone 6B, Near Brandt and Eck-Johnson	0	Notify Tanner, Dispatch Clearing Crew
Yellow	Downed Tree, Blocked Road	Zone 4D, Madrona	0	Dispatch Clearing Crew
